Central Asia As Sourcing Hub: Sustainability VS Global Challenges

This comprehensive project provided a vibrant international platform for dialogue, innovation and partnership. It brought together manufacturers, brands, retailers, government representatives and global industry experts to engage in strategic discussions aimed at positioning the region as a resilient, responsible and forward-looking hub for the textile and garment industry.

The unique international specialised exhibition of textile and garment industry in Uzbekistan

Brief overview

2004-2017 under the brand TextileExpo Uzbekistan

2018-2024 under the brand UzTextileExpo

Since 2025 again under the brand TextileExpo Uzbekistan

Over the years, the Textile and Garment Industry Exhibition – **TextileExpo Uzbekistan** has firmly established itself as a national brand.

Autumn exposition spanned the full spectrum of the textile and light industry: from yarns, fabrics, knitwear and silk to home textiles, hosiery, dyes, chemicals, accessories, as well as printing and packaging solutions.

A key partner of TextileExpo Uzbekistan Autumn 2025 was **Qo'qon Global Teks**, a local company established in 2020.
